(*b*) whether they are aware—

(i) that this road will tend to improve the economic condition of the people of several pakuties by facilitating transport of manure, agricultural produce, etc., at much cheaper rates than at present; and

(ii) that at present (1-11-1928) there is not even one cart road running to the shores of the Kayankulam backwater where the soaking of cocoanut husks and the manufacture of coir are the chief industries?

MR. T. P. RAMASUBBA AIYAR (*Secretary to Government*): (*a*) It was forwarded to the Land Revenue and Income Tax Commissioner for enquiry and report as to the necessity for the road and as to whether lands required for the road will be surrendered free.

(*b*) (i) It may; but as a result of the enquiry, the Government find that the people of the place are not keen about the road and are not willing to part with the required lands free of compensation. It is open to the people to press the need before the Roads and Canals Board, shortly to be constituted.

(ii) A road has now been opened from Marutukulangara to Karunagapalli, and another from Alampidika to Oachira is in progress.
